PROFILE SUMMARY

IT undergraduate specializing in software development with hands-on experience in React, Node.js, PHP, Java, MySQL, and Firebase. Strong foundation in object-oriented programming, database management, and user interface development, with experience building practical web-based applications. Interested in creating well-structured, user-friendly software and seeking an internship opportunity to apply and develop technical skills through real-world projects.

EDUCATION

Higher National Diploma in Information Technology

SLIATE - Kurunegala | 2024 - Present

Certificate in Spoken English

Open University of Puttalam | 2023

PROJECTS

MensCollection Colombo Blazer Rental [Live Demo](#) | [GitHub](#)

React | Node.js | Tailwind CSS | Firebase

- Developed a web-based blazer rental platform for MensCollection Colombo, allowing users to browse and book wedding blazers and groom packages.
- Integrated Firebase for data management, real-time availability, and booking submissions.
- Designed a comprehensive UI to streamline the booking process and package selection for clients.

AQUAVISTA Boat Reservation System [Live Demo](#) | [GitHub](#)

PHP | MySQL | HTML | CSS | JavaScript

- Developed a comprehensive web-based boat tour reservation system, allowing users to discover and book private yacht voyages with customizable services.
- Engineered the full-stack application using PHP and MySQL to securely manage tours, dynamic pricing, bookings, and user interactions.
- Implemented an admin dashboard for centralized management of marine tours.

University Attendance System [Live Demo](#) | [GitHub](#)

PHP | MySQL | HTML | CSS

- Developed a comprehensive university attendance system to manage student and lecturer records, track attendance, and generate automated reports.
- Built lecturer and student dashboards for real-time tracking, course management, and logging.

TECHNICAL SKILLS

Languages: Java, JavaScript, PHP

Frontend: React, HTML, CSS, Tailwind CSS

Backend: Node.js, PHP

Databases: MySQL, Firebase, SQLite

Tools: Git, GitHub, VS Code

Core: Object-Oriented Programming, Database Management, UI/UX, Software Development

SOFT SKILLS

Teamwork | Communication | Problem-solving | Adaptability | Time Management

LANGUAGES

English | Sinhala | Tamil
